Dear Parents and Students,

This Friday the Primary Class will be participating in an Auskick (AFL) Gala Day in Narooma. As with many of our trips with the children, we need to rely on the generosity of parents to assist with transporting the students. Without your help, we would have to hire a bus (which would add substantially to the cost) or not attend (which means the children miss out). Thank you to those parents who can help this Friday. It is greatly appreciated.

Mrs McHarg will be on leave from next Monday and will not be returning until the second week of next term. Her class will be taught by Mrs Kim Cooke, who has been working in the school this term. I wish Mrs McHarg an enjoyable break.

I have passed on the school’s best wishes to Mr Markham who is having an operation this week to repair his shoulder which he injured at school several weeks ago. It is hoped that he will be able to return to work some time next term.

The P&C will be holding their Annual General Meeting on Friday, March 20th, commencing at 1.00pm. It is a great group of parents and all are invited to attend and participate in fundraising activities for the school. Megan has done an inspiring job as President and is keen for you to put your hand up for either an Executive position or to help on a committee. The Tilba Festival will also be discussed.

Following the meeting, there will be a Whole School Assembly featuring items by the K-2 class. It will begin at 2.30pm.

Due to my attendance at a Principals’ Meeting later in the term, it is necessary to alter the date of our School Cross Country, which was to have been held on Friday, March 27th. The new date will be the second last day of term, Wednesday, April 1st, between recess and lunch. The School Cross Country is held in our school grounds, and parents are invited to attend.

I hope you have a good week.

Regards,

John Carter, Principal.
What did we do at school today?

Some of us played the ukulele...

Some of us gave speeches and some of us listened...
Some of us wrote stories and some of us used our computer...
