Dear Parents and Students,

Thank you to the parents who attended last Saturday’s Working Bee in the school. It was great to see the veggie garden looking so neat!

As we move into the colder months, it is inevitable that some children will become ill. Please remember to send in a note if your child has to be away from school for any reason or call and leave a message at the office.

As part of our School Plan over the next three years, we are seeking to raise the level of our student’s writing. To that end, this afternoon I will be attending a ‘Writing in the Middle Years’ workshop in Narooma. On Friday, I am required to attend a Far South Coast Principals’ meeting, also in Narooma. Mr Dodd will teach the class in my absence.

This week’s Parent Information session is on Writing in Year Four. I hope parents are finding the information of use in assisting their child.

Have good week.

Regards, John Carter, Principal.
Primary Class

Over the remainder of the term there are some interesting events coming up for different students in the Primary Class that you may want to note in your diary. Notes will be sent home to children involved prior to each event. These events are:

😊 Thursday, June 4th – ‘Four Winds’ performance in Bermagui (Years 5 and 6);
😊 Thursday, June 11th – Rugby League Tag day in Narooma (whole class);
😊 Thursday, June 18th – Academic Challenge at Broulee PS (selected children from Years 4-6);
😊 Tuesday, June 23rd – Small Schools Soccer versus Bemboka PS at Bemboka (selected students from Years 3-6).

Some of these activities will require assistance from parents to help with transport. If your child is involved and you are able to help, it would be greatly appreciated.

Writing Continuum

Writing – Year 4

Please note that the information presented in this Newsletter is of a general nature. For specific information related to your child, it is recommended that you speak with your child’s teacher.

By the end of Year Four, a child should be able to –

😊 Draw ideas from personal experiences, other texts and research to create imaginative, informative and persuasive texts;
😊 Show awareness of the need to justify opinions with supporting evidence;
😊 Locate resources and access information when planning;
😊 Reread and revise text to check and improve meaning by deleting information or adding new information;
😊 Create meaningful sentences using a variety of sentence beginnings;
😊 Create complex sentences using adjectival clauses (a group of words that provide more information about a noun) and adverbial clauses (a group of words that modify a verb);
😊 Use sentence and simple punctuation correctly;
😊 Use morphemic (basic units of meaning), visual, phonic knowledge (sounds) and knowledge of prefixes (word beginnings) and suffixes (word endings) to spell and edit words;
😊 Use grammatical features such as pronouns (eg, ‘he’, ‘it’, ‘they’), conjunctions (eg ‘and’, ‘but’) and connectives (words that link paragraphs or sentences eg ‘because’, ‘furthermore’) to accurately link ideas and information;
😊 Have handwriting that is consistent in form.
Student Banking

Many students have started their Dollarmite accounts, but are not sending in their deposit books regularly. Don’t forget to send in your deposit book. You can do this any day of the week and it will be kept until the following Monday for banking and then returned. Also, don’t forget to redeem your Dollarmite tokens for rewards when you have ten tokens.

VOLUNTARY SCHOOL CONTRIBUTIONS,
STUDENT ACCIDENT INSURANCE & P&C MEMBERSHIP

PLEASE RETURN AS SOON AS POSSIBLE AND CIRCLE ‘EFT’ IF THAT IS YOUR PAYMENT METHOD

VOLUNTARY SCHOOL CONTRIBUTIONS (SCHOOL FEES) – This has been set by the P&C at $40/student or $70/family for the year. This is extremely low compared to other local primary schools. We ask that all parents consider paying this small cost towards their child’s education if they can. Please send in your contribution with the form below.

STUDENT ACCIDENT INSURANCE - The cost is $10 per student. The P&C has already paid for ALL students in the school to be covered and ask that parents consider reimbursing the P&C this small cost for having their primary student children covered for accidents. We ask that you send in the $10 per student as soon as possible. If you can’t afford the whole $10 per student, any contribution you can afford would be great. Please send in with the form below. Please don’t forget to let the school know if your child has any kind of injury covered by the benefits payable so that we can send a claim home for you to complete (even if you haven’t paid the insurance). Please note this is a ‘24/7’ cover, NOT just school hours or events.

Enclosed is $10.00 per student (or part thereof).

P&C MEMBERSHIP - The P&C ask all families to become members of our P&C Association. It is not necessary to attend any or all meetings, although we hope that as many parents as possible will try and support the P&C at their meetings, but by paying the small membership subscription of only $5.00 per family, per year, you ARE supporting the P&C. Unless P&C subscriptions have been paid, you are not able to vote on any issues that arise at meetings or at the AGM. This donation helps to pay for our affiliation fees with the Federation of P&C’s and Public Liability insurances and P&C Workers’ insurance; this amounted to over $400 last year.
